

CURRICULUM VITAE

Proposed role on the Project: Position

1. **Family name:** Acevski
2. **First name:** Jane
3. **Date of birth:** 26.05.1963
4. **Nationality:** Macedonian
5. **Education:**

Institution [Date from - Date to]	Degree(s) or Diploma(s) obtained
Faculty of Forestry, Ss. Cyril and Methodius University in Skopje 1996 - 08.05.2000	PhD in Biotechnical Sciences Department: Dendrology and Phytosociology (PhD thesis: Dendrofloristic characteristics of the Galichica mountain)
Faculty of Forestry, Ss. Cyril and Methodius University in Skopje 1992 - 22.12.1996	MSc in Biotechnical Sciences (Average: 9.25) Department: Dendrology and Phytosociology (MSc thesis: Dendrofloristic characteristics of the northern parts of the Karadjica mountain)
Faculty of Forestry, Ss. Cyril and Methodius University in Skopje 1984 - 1990	BSc Forestry engineer (Average 8.10) Department: Forestry Dendrology, Botany, Phytosociology, Pedology&Petrology, Ecoclimatology, Entomology, Fauna, etc.

6. **Language skills:** Indicate competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
Macedonian /native/	1	1	1
Serbian /Bosnian/ Croatian/			
English			

7. **Membership of professional bodies:**

1. **Other skills:** : Excellent knowledge of word-processing, database, spreadsheet, presentation software, (MS: Word, Access, Excel, Outlook, Explorer, Power Point and Microsoft Project), good communication and interviewing skills, self-driven, quick learner, stress and frustration resistant, committed to confidentiality, adept in learning, self-directed, and highly motivated, procurement national and donor rules, archiving, ability to manage and lead staff

8. **Present position:** Full Profesor

9. **Years with the firm:** 30 years

10. **Key qualifications:** Dendrology and Phytosociology.

11. **Specific international experience and in the region:**

Country	Date from - Date to
Full name of the country	month year – month year (e.g. Mar 2019 – May 2019)

12. Professional experience (the most important):

Ref. no	Date from – Date to	Location	Company or Consortium	Position	Description
1.	2019	North Macedonia	CNVP Foundation	Expert	Achieving Biodiversity Conservation through Creation and Effective Management of Protected Areas and Mainstreaming Biodiversity into Land Use Planning, a project funded by GEF, executed by United Nations Environment Programme, Programme Office in Vienna and Project Office in Skopje, in cooperation with the Ministry of Environment and Physical Planning of Republic of Macedonia. The project's intervention strategy has three main components: (1) increase of the protected areas' network; (2) increased effectiveness of biodiversity management; and (3) land use planning and biodiversity mainstreaming.
	2006	North Macedonia	UNDP Funded project	Expert Forestry Auditor	Feasibility Study for "Regulation and Protection of the Great River", sections on: Monitoring, Improving the condition of forests and protection from erosion, Improving the condition of aquatic habitats and Raising public awareness, Prespa 2006
		North Macedonia	Beta consulting Skopje	Expert	Landscape Master Plan, Landscape Impact Assessment and Landscape Design of HPP Boskov Most
		North Macedonia	GEF/UN Environment / CNVP Foundation	Expert	GEF/UN Environment Project "achieving biodiversity conservation through the creation and efficient management of protected areas and the inclusion of biodiversity in land management planning" component 3: Inclusion of biodiversity protection in land use planning
	2019	North Macedonia	UNDP, City of Skopje	Expert	Study for valorization of the protected area park - forest - Water 2019
	2009	North Macedonia	City of Skopje	Expert	Study for determining the natural values and spatial identification of the border of the Vodno Forest Park 2009.
		North Macedonia	City of Skopje	Expert	BOTANICAL GARDEN IN THE SKOPS ZOO, PHASE: BOTANY AND DENDROLOGY Design of suitable ecological sites and correct selection of plant groups of indigenous, endemic, relict and non-indigenous species.
		North Macedonia	Deacons Emma	Expert	Reports on the revaluation and rehabilitation/revitalization of the Ohrid plane trees.
		North Macedonia	Deacons Emma	Expert	Study on greening and afforestation of the area of the city of Skopje 2014
	2017	North Macedonia	Deacons Emma	Expert	Study on the establishment of green corridors along the Serava River, from the source to the mouth of the Vardar River and on the Lepenec River, from the junction near the village of Orman to the mouth of the Vardar River, 2017.
	2013	North Macedonia	Deacons Emma	Expert	Environmental impact assessment study for the exploitation of mineral raw materials from the "Dzurovo" locality, Prilep municipality, 2013.
	2011	North Macedonia	Deacons Emma	Expert	Environmental impact assessment study and social aspects for "Boshkov Most" hydroelectric power plant, 2011.
		North Macedonia	Deacons Emma	Expert	Study for the assessment of the impact on the environment from the opening of a mine for the exploitation of mineral raw material nickel-bearing iron ore at the locality "Studena voda" municipality of Kavadarci (specialty-forests) 2011.
		North Macedonia	BIOEKO Skopje	Expert	project: Revision of the Status of Biological Diversity in the Protected Area "Strict Nature Reserve Ploce-Litotelmi" 2020.
	2011	North Macedonia	Deacons Emma	Expert	Environmental impact assessment study of "Rechani" dam and reservoir with

Ref. no	Date from – Date to	Location	Company or Consortium	Position	Description
					associated facilities (part of the "Orizarska Reka" hydrosystem) 2011
	2019	North Macedonia	UNP Galicica	Expert	Project: "Improving Management in Protected Areas", together with implement a sub-project for "Improving the effects in the protection and management of the Galichica National Park". PROFESSIONAL PROJECT FROM THE FIELD OF DENDROLOGY 2019
		North Macedonia	Ministry of Environment and Spatial Planning	Expert	Contract of Consultancy for the Project "Improving the Effectiveness of Protection, Conservation and Management of the Protected Area Galicica National Park"
	2022	North Macedonia	ELEM	Expert	Preparation of reports for the valorization and revalorization of old individual trees with distinct habitat characteristics 2022.
	2017	North Macedonia	Eko svest Skopje	Expert	Study "SMART Ohrid" 2017 Environmental Impact Assessment
		North Macedonia	FOREST-FAGUS DOOEL - Skopje	Internal Expert	The project: Integrated implementation of the proposed measures provided for in the technical documentation for rehabilitation and revitalization of the planar area of the "Voska" locality
	2020	North Macedonia	FOREST-FAGUS DOOEL - Skopje	Expert	The project: INTEGRATED IMPLEMENTATION OF THE PROPOSAL THE MEASURES PROVIDED FOR IN THE TECHNICAL DOCUMENTATION FOR THE REHABILITATION AND REVITALIZATION OF THE PLANE IN THE PLACE SQUARE "PLOSTAD" - MUNICIPALITY OF OHRID - 2020
2.	02/2016	North Macedonia	City of Skopje, Macedonia Contact person:	Chief Responsible Designer	BOTANICAL GARDEN IN SKOPJE'S ZOO PHASE: BOTANY AND DENDROLOGY Design of adequate ecological sites and proper selection of plant groups of native, endemic, relic and non-native species
3.	2015	North Macedonia	City of Skopje, Macedonia Contact person:	Member of the expert team; Forestry expert	STUDY FOR URBAN GREENING OF CITY SKOPJE
4.	2015	North Macedonia	AFC Contact person:	Member of the expert team; Forestry expert	ENVIRONMENTAL IMPACT ASSESSMENT STUDY OF LANDSCAPE MASTERPLAN FOR HE "BOSHKOV MOST" Assessment of human impact and influence on forest habitats and established forest communities, data collection and field research, analyses of past and recent paper work
5.	October 2014	North Macedonia	Swiss Agency for Development and Cooperation SDC, HELVETAS, FARMAHEM, UKIM Faculty of Forestry in	Forest Community Expert	STUDY "ECOLOGY AND FOREST MANAGEMENT IN THE REGION UPSTREAM OF BREGALNICA RIVER (MALES)" PART OF THE NATIONAL PROJECT WITH INTERNATIONAL PARTICIPATION "PROGRAMME FOR CONSERVATION OF NATURE") Desk-analyses, field research and data collection of past and recent (dendro)flora, determination of forest communities and forest biodiversity in

Ref. no	Date from – Date to	Location	Company or Consortium	Position	Description
			Skopje Contact person:		various mountainous habitats
6.	2013	North Macedonia	FENI Industries Municipality of Kavadarci Contact person:	Member of the expert team; Nature Expert	ENVIRONMENTAL IMPACT ASSESSMENT STUDY OF OPEN PIT FOR EXPLOITATION OF MINERAL NICKEL RAW MATERIAL ON THE LOCALITY "STUDENA VODA", Assessment of human impact and influence on forest habitats and established forest communities, data collection and field research, analyses of past and recent paper work
7.	2009	North Macedonia	Municipality of Kocani Contact person:	Member of the expert team; Nature expert	ENVIRONMENTAL IMPACT ASSESSMENT STUDY OF DAM AND ACCUMULATION "RECANI" WITH APPURTENANCE (PART OF HYDRO SYSTEM "ORIZARSKA REKA") Assessment of human impact and influence on forest habitats and established forest communities, data collection and field research, analyses of past and recent paper work
8	01/2013 -10/2013	North Macedonia	Municipality of Ohrid Contact person:	Member of the expert team; Nature expert	LOCAL ENVIRONMENTAL ACTION PLAN (LEAP) FOR NOISE MANAGEMENT IN THE MUNICIPALITY OF OHRID Determination of local nature values, forest biodiversity and habitats
9	2009	North Macedonia	Municipality of Stip Contact person:	Member of the expert team; Forestry expert	PREPARATION OF DOCUMENTATION FOR DEVELOPING THE ACTION PLAN FOR THE ENVIRONMENT IN MUNICIPALITY OF STIP (2009) Determination of local nature values, forest biodiversity and habitats
10	2011	North Macedonia	ELEM, GEING KUK , Municipality of debar Contact person:	Member of the expert team; Forestry expert	ENVIRONMENTAL IMPACT ASSESSMENT STUDY AND SOCIAL ASPECTS OF THE CONSTRUCTION AND OPERATION OF HYDRO POWER PLANT "BOSKOV MOST" Assessment of human impact and influence on forest habitats and established forest communities, data collection and field research, analyses of past and recent paper work
11	2008-2009	North Macedonia	SEENET Program (The Italian Ministry of Foreign Affairs / National Park Mavrovo, Mavrovo-Rostushe / Ucodep & Gruppo Volontari Civili GVC) Contact person:	Forest Community Expert	PROTECTION OF THE ENVIRONMENT, ECONOMIC DEVELOPMENT AND PROMOTION OF SUSTAINABLE ECO-TOURISM IN THE NATIONAL PARK MAVROVO Assessment of past human impact and influence on forest habitats and established forest communities, data collection and field research, analyses of past and recent paper work, emphasize of dendrological and phytosociological phenomena, proposition for different levels of protection zoning
12	2007-2008	North Macedonia	Faculty of Forestry, Skopje	Member of the expert team	ELABORATION OF A STUDY AND MID-TERM PROGRAM OF MEASURES FOR THE

Ref. no	Date from – Date to	Location	Company or Consortium	Position	Description
			Contact person:		REVITALISATION OF OLD MACEDONIAN PINE (Pinus peuce Gris.) FORESTS AT THE LOCALITY OF BEGOVA CHESHMA - NATIONAL PARK PELISTER, BITOLA Forest habitat condition in the established forest community of Macedonian pine (Pinus peuce Griseb.), data collection and field research, analyses of past and recent research, emphasize the meaning of dendrological and phytosociological phenomena due to management and silviculture measures, understanding natural succession processes of Macedonian pine pioneering forest communities
